

Express Tax Lane *Direct*®

Product Overview

Express Tax Lane *Direct*® (ETL) is a unique opportunity for organizations or corporations to add discounted tax preparation services to their employees at significant discounts. You don't do the taxes—we have one of our trained personnel come onsite to your location to do the tax preparation work. We custom to your location and do 10-15 minute interview with an employee, gather the necessary tax documents, and then submit the interview to our tax preparation service bureau located near Dallas, Texas. The service bureau prepares the return and then electronically file the taxes with the IRS. Fast refund anticipation loans are also available through this program.

We recommend you discount the tax preparation fee by about \$50 over typical returns in your area.

Benefits to your company include...

- Provide employees with a needed benefit at no cost to your company
- Increased employee loyalty
- Make sure every employee is receiving the maximum refund allowed by law
- Counseling to employees to reduce refund loan reliance and explain options with no hidden agendas

The Express Tax Lane® Promise...

- We provide stress-free, fast and accurate tax preparation systems for your employees
- Our service is guaranteed—if the information given to us is correct we guarantee the work or we pay the interest and penalties

- Your employee's privacy and security is a top concern and we have systems to ensure your safety

Our technology partner, Universal Tax Systems (UTS), a division of Commerce Clearing House (CCH), has been a leader in the professional tax software industry for the past 21 years. As a \$6 billion international company, they offer a full range of solutions for the tax and accounting industry. Express Tax Lane is a Lopez Financial Group (LFG) business. LFG has been preparing tax returns for over 26 years, with six locations in California and is the largest Hispanic-owned tax preparation firm in the region. LFG has been the driving force behind the creation of the IRS-promoted Latino Tax Professionals Association (www.LatinoTaxPro.org).

The process is easy and straight forward. We would put one of our staff in our office based on the hours and availability needed by your employees. We work out hours and discounts on a case-by-case basis. Our processing center is open 7 days a week, from 8 a.m. to 10 p.m. during tax season, with a toll-free number, and complete bi-lingual support to make sure you are providing quick and accurate support for your employees.
